To whom it may concern

Your Staff Solutions are a one stop agency.

Our operation is a 24/7 business and we need to know that we have the support of a temporary staff provider that supplies a genuine 24hr service 7 days a week, that is why we are more than happy to use the services of Your Staff Solutions, no matter what the time, the call into them will be answered and the service provided.

I would have no hesitation in recommending Your Staff Solutions to any company who require a quality professional service from their agency.
